THE NOMADS *collection*

Kolekcija pod nazivom "THE NOMADS" je nastala kao posledica diplomskog rada.

Kolekcija je inspirisana Australijskim Aboridžinima . Kroz kolekciju sam prenela kako likovni dojam naroda, tako i materijale i boje, Striktno sam se držala da kolekcija bude izrađena od što prirodnih materijala (naravno koliko nam tržište to dozvoljava).

Kolekcija je prikazana na tekmičenju mladih dizajnera u okviru SFW i zauzela je treće mesto.
